# MISSION

our vision is to help the helpless and needy people of the society, to promote education in the society and to make them aware of their rights through education, and in future people of society who are deprived of education for any reason. we Provide free education to all of them! To promote the safety and security of the environment, to prevent missvihavior and evils in the society, to try to stop the dowry system from the society and to promote women empowerment of the needy and helpless elderly people.

# VISION

“Our mission is to educate the poor and helpless children of the society and provide them a good life, provide the growth to women empowerment, save the environment and provide the help of needy senior citizens.”

## MESSAGE FROM THE FOUNDER

*"It begins with the civil society – when people initiate positive actions, actions that can change lives and the course of history."*

As the founder of Unique Samaj Seva Sansthan, I am honored and humbled to address you today. Our journey together in serving our community has been nothing short of remarkable, and it is with great pride that I reflect on the impact we have made and the lives we have touched.

When I embarked on this journey to establish Unique Samaj Seva Sansthan, my vision was simple yet profound: to create a platform where compassion, empathy, and action converge to uplift those in need and foster positive change.

As we look to the future, I am filled with hope and optimism. Together, we have laid a strong foundation upon which we can continue to build and expand our efforts. Let us remain steadfast in our resolve, undeterred by the challenges that may lie ahead, knowing that our collective strength and determination will carry us through.

To our dedicated volunteers, whose selfless contributions form the backbone of our organization, I extend my deepest gratitude. Your passion, your commitment, and your unwavering belief in our mission inspire us all.

To our generous supporters, whose kindness and generosity fuel our work, I offer my heartfelt thanks. Your contributions, whether big or small, make a tangible difference in the lives of those we serve.

With the civil society strengthening and taking on the baton of social change, the onus has also come on businesses and governments to focus on social responsibility as one of their primary agenda.

Businesses are gradually waking up to aware consumers and have realized that to survive and thrive in this changing world, they need to be responsible towards the community.

Philanthropy has moved on from being an act of charity to a business necessity. But just like government alone cannot solve all social problems, businesses cannot either. Businesses have the resources and the technology, civil society organisations have the ground knowledge and the community rapport, and governments have the bandwidth and reach. They are all spokes in a wheel, and when all work together, the cycle of change moves forward.

In this context, collaboration and convergence appear to have become a necessity, and are no longer a choice.

At Unique Samaj Seva Sansthan, we have always acknowledged the possibilities and potential of this phenomenon. Civic Driven Change has been a founding principle of the organisation. Along with our work at the grassroots, we have been making consistent efforts to sensitise and involve corporate, local government bodies, individuals, institutions, media and the larger civil .

society in the process of bringing sustainable change at the grassroots. In a journey of over 1 Year years, Unique Samaj Seva Sansthan has directly impacted the lives of more than 500 children and their families. This has only been possible through meaningful collaboration and positive partnerships.

In 2016-17, we added another beautiful chapter to our journey – exploring new paths, setting new benchmarks, rising up to challenges, charged with the determination to bring real and long lasting change in the lives of the vulnerable and deserving children and Helpless families in the remotest parts of the country.

This Annual Report captures the best of our journey, bringing alive some of the most memorable moments and the most inspiring narratives through these pages. Hope you will find it an engaging read!

# Save Tree and Environment Program

Unique Samaj Seva Sansthan's "Save Tree and Environment Program" is a holistic initiative aimed at promoting environmental conservation and sustainable practices within communities. Through this program, the organization educates and engages individuals of all ages in the importance of preserving trees and safeguarding the environment for future generations.

At its core, the program emphasizes the vital role of trees in maintaining ecological balance, combating climate change, and enhancing overall well-being. Unique Samaj Seva Sansthan implements various activities such as tree planting drives, awareness campaigns, and workshops on eco-friendly practices.

Furthermore, the program fosters community participation and collaboration to create a collective impact. By involving schools, local authorities, businesses, and residents, the organization cultivates a sense of ownership and responsibility towards environmental stewardship.

Through continuous monitoring and evaluation, the program assesses its effectiveness and identifies areas for improvement, ensuring long-term sustainability and impact. Ultimately, the "Save Tree and Environment Program" not only contributes to the conservation of natural resources but also fosters a sense of environmental consciousness and citizenship among individuals, laying the foundation for a greener and healthier future.

# Save Tree and Environment Program

Unique Samaj Seva Sansthan's Plantation Program is a concerted effort to combat deforestation and mitigate the impacts of climate change. Through strategic partnerships and community engagement, the program focuses on planting trees in both urban and rural areas, replenishing green cover, and restoring degraded ecosystems.

With an emphasis on indigenous species and sustainable forestry practices, the program not only enhances biodiversity but also provides numerous ecological benefits such as soil stabilization, watershed management, and carbon sequestration.

By involving local communities, schools, and other stakeholders, Unique Samaj Seva Sansthan fosters a sense of ownership and responsibility towards environmental conservation, promoting a greener and healthier environment for present and future generations.

# Plant Distribution

Unique Samaj Seva Sansthan's Plant Distribution program aims to empower communities by providing them with tree saplings for cultivation. Through this initiative, the organization promotes environmental sustainability and community engagement. By distributing a variety of native tree species, the program not only contributes to reforestation efforts but also enhances biodiversity and ecosystem resilience. Furthermore, it educates beneficiaries on the importance of tree planting and sustainable land management practices. By actively involving local residents, schools, and authorities, Unique Samaj Seva Sansthan fosters a culture of environmental stewardship and collective action, paving the way for a greener and more sustainable future.

# Environment Awareness

Unique Samaj Seva Sansthan's Environment Awareness program is dedicated to educating communities about pressing environmental issues and promoting sustainable practices. Through workshops, seminars, and awareness campaigns, the program raises consciousness about topics such as climate change, pollution, and biodiversity loss. By engaging individuals of all ages, from schoolchildren to adults, the organization fosters a sense of environmental responsibility and empowers communities to take positive action. By instilling a deeper understanding of the interconnectedness between human activities and the environment, Unique Samaj Seva Sansthan cultivates a culture of environmental stewardship and promotes a healthier planet for future generations.

# Health Care Program

# Medical Support

## Support For Medical In rural Area's

Unique Samaj Seva Sansthan provides vital medical support in rural areas, addressing healthcare gaps. Through mobile clinics and community health workers, they offer essential services like check-ups, vaccinations, and basic treatments. Their approach integrates traditional remedies with modern medicine, catering to local needs effectively. Collaborating with local authorities and volunteers, they ensure sustainable healthcare solutions and health education programs. By empowering communities and promoting preventive care, Unique Samaj Seva Sansthan contributes significantly to improving overall well-being in rural regions, bridging the healthcare divide and fostering a healthier society.

### Why We Do This

Support for Medical in Rural Areas by Unique Samaj Seva Sansthan is vital due to the significant healthcare disparities in rural regions. Limited access to medical facilities and resources often leads to neglect of health issues. By deploying mobile clinics and community health workers, Unique Samaj Seva Sansthan brings essential healthcare services directly to these underserved areas. Their holistic approach, integrating traditional and modern medicine, ensures comprehensive care tailored to local needs. This initiative not only addresses immediate health concerns but also empowers communities, fosters health education, and ultimately contributes to the overall well-being and development of rural populations.

## Help to rural area's People

Unique Samaj Seva Sansthan extends crucial assistance to rural communities, addressing multifaceted challenges they face. Through various initiatives, they provide holistic support encompassing healthcare, education, and socio-economic empowerment.

In the realm of healthcare, Unique Samaj Seva Sansthan operates mobile clinics and deploys community health workers to reach remote villages where access to medical facilities is scarce. These efforts bring essential services like check-ups, vaccinations, and basic treatments directly to those in need. By blending traditional remedies with modern medicine, they ensure culturally sensitive and effective healthcare delivery.

Moreover, Unique Samaj Seva Sansthan emphasizes community engagement and participation, involving locals in decision-making processes and capacity-building initiatives. Through collaborative efforts with local authorities and volunteers, they establish sustainable solutions that address long-standing challenges and promote self-sufficiency.

In essence, Unique Samaj Seva Sansthan's comprehensive approach not only alleviates immediate needs but also catalyzes holistic development, empowering rural populations to lead healthier, more prosperous lives with dignity and self-reliance.

# Quality Education Awareness Program

Unique Samaj Seva Sansthan spearheads a comprehensive Quality Education Awareness Program to uplift rural communities through education. This initiative encompasses various strategies to promote awareness and access to quality education in underserved areas. Through interactive workshops, seminars, and community engagement activities, they emphasize the transformative power of education in improving livelihoods and fostering holistic development.

The program not only highlights the intrinsic value of education but also raises awareness about its broader societal benefits, such as reducing inequality and empowering marginalized groups. Unique Samaj Seva Sansthan collaborates closely with local schools, parents, and educational authorities to address barriers to education and enhance learning outcomes.

Moreover, they leverage technology and innovative teaching methods to make education more engaging and accessible, particularly in remote areas with limited infrastructure. By providing scholarships, educational resources, and mentorship opportunities, they empower students to pursue their academic aspirations and unlock their full potential.

Through sustained advocacy efforts and community partnerships, Unique Samaj Seva Sansthan aims to instill a culture of lifelong learning and educational equity, paving the way for brighter futures and sustainable development in rural communities.

## Save Environment Awareness Drive

## Unique Samaj Seva Sansthan

The objective of the menstrual hygiene management program was to promote awareness about menstrual health and hygiene, provide access to affordable menstrual products, and empower women and girls to manage their periods safely and with dignity

### Education and Awareness Workshops:

- o Conducted educational workshops in schools, community centers, and women's groups to raise awareness about menstruation, menstrual hygiene, and reproductive health.
- o Covered topics such as menstrual cycle basics, menstrual hygiene practices, common myths and misconceptions, and the importance of using hygienic menstrual products.
- o Facilitated open discussions and Q&A sessions to address participants' questions, concerns, and experiences related to menstruation.

## SANITARY PAD DISTRIBUTION

## Improving menstrual hygiene

Knowledge about menstruation and hygienic habits are curtailed by stigma and taboos in the Indian society, where talking about period is not allowed.

Unique Samaj Seva Sansthan is tackling the very issue of menstrual hygiene

management at its roots. Working within the Rural areas and low income communities, SEVA ASMAKAM DHARMAH CHARITABLE TRSUT is helping to raise awareness around menstruation and in bringing affordable sanitary products directly

to the women in need. By manufacturing low cost high quality sanitary napkins, more affordable than them on a door-to-door scheme

At Seva Asmakam Dharmah Chariatble Ngo ,Girl program was kick-started on the occasion of Women's Day on 8th of March. The motive behind this was not only to equip girls from an underprivileged background with proper menstrual products but also to impart knowledge through training on menstrual hygiene management.

We believe in working towards eradicating all the hushing and stigma that go hand in hand with monthly cycles.

We

HEALTH CARE

# HEALTH CARE

It is well recognised that improvement in health status of population is both an important means of sustaining economic and social development as well as an end in itself. SADCT thoughtfully designed comprehensive health module ensures that quality and timely health care reaches the deprived corners of Indian villages and cities, through a combination of mobile health units, health camps and awareness programmes.

# Health Camp?

The objective of the health camp was to provide essential healthcare services, health education, and medical screenings to underserved communities, with a focus on preventive care and health promotion.

- Conducted interactive workshops and informational sessions on various health topics relevant to the community's needs and concerns.
- Covered subjects such as personal hygiene, nutrition, family planning, maternal and child health, and disease prevention.
- Distributed educational materials, pamphlets, and brochures containing practical tips and guidelines for maintaining good health

Unique Samaj Seva Sansthan Ngo Empowering Girls Through Education": This succinctly captures the primary objective of the charity, which is to empower girls through access to education. The mission statement emphasizes the transformative power of education in unlocking the potential of girls and enabling them to lead fulfilling and prosperous lives.

"A World Where Every Girl Has Equal Access to Quality Education and Opportunities": This vision statement articulates the long-term goal of the charity, which is to create a world where every girl, regardless of her background or circumstances, has equal access to quality education and the opportunities it brings. It envisions a future where girls are empowered to realize their dreams, pursue their passions, and contribute positively to society.

## Girls Education (Women Empowerment )

Unique Samaj Seva Sansthan Organized interactive workshops and trainings on topics such as leadership development, life skills, health education, and career guidance.

Invited guest speakers, mentors, and role models to share their experiences and inspire girls to pursue their goals and aspirations.

Provided practical guidance on study techniques, time management, and academic success strategies to help girls excel in their studies.

we are Conducted outreach activities to engage parents, caregivers, and community members in supporting girls' education.

Organized community meetings, parent-teacher conferences, and awareness campaigns to highlight the importance of girls' education and address cultural barriers and stereotypes.

Facilitated dialogue and collaboration between schools, families, and community stakeholders to create a supportive ecosystem for girls' educational success

## Over 3,000 women and girl children were benefitted

and empowered through various interventions under the Swabhiman programme

Educational support was provided to

## 100 women and adolescent girls were trained

to be “change agents” to further serve as Community Health Educators, Health Volunteers and Peer Educators in their communities

**“ Never doubt that  
a small group of  
thoughtful, committed  
citizens can change the  
world; indeed, it's the  
only thing that ever has.  
”**
